We might inform someone if we were concerned about your safety, but we would usually speak to you first.

Your messages are stored and can be viewed by other Barnardo's staff with authorised access who follow the same confidentiality rules.

We aim to reply to you within 48 hours, Monday - Friday (excluding weekends, bank holidays and 3 service development days per year), and you should receive an immediate message confirming wehave received your text.

Text will only be seen between 9 am and 4.30 pm. If you're worried about immediate safety, please call 999 or go to your local emergency department.

Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps).

To prevent Barnardo's professionals from sending you messages, text STOP to our number.

Messages are charged at your usual rates.
