Monday 12<sup>th</sup> December 2025

Dear Parents and Guardians,

We hope this message finds you well. We are writing to inform you of an exciting opportunity for our Year 1 students to visit Chester Zoo on the 10<sup>th</sup> of February 2026. We are delighted to announce that we have won this educational trip, which seamlessly supports our science curriculum focusing on animals and humans. The cost for the coach transport will be £9 per child, making this a valuable experience for our pupils without a significant financial burden.

Please ensure that your child wears their school uniform as per usual and sensible shoes suitable for walking around the zoo. As part of our preparations, we kindly ask that packed lunches be provided in bags that can be disposed of after use to ensure we follow a clean-up protocol during our visit. Additionally, we encourage you to provide drinks in bottles that can also be recycled or thrown away after consumption.

Given that the weather can be unpredictable in February, we advise that students come dressed in warm coats to ensure their comfort throughout the day.

Punctuality is essential on this day; please ensure that children are dropped off at school on time as we need to set off promptly. The return time to school will be at the usual hour of 3:15 PM.

Children who are on school meals will be provided with a school packed lunch. Anyone who brings a packed lunch from home, please ensure that its is brought in a disposable carrier bag with no glass bottles or fizzy drinks.

This trip represents an invaluable opportunity for our students to engage with the natural world and deepen their understanding of the science of living organisms. We are looking forward to a rewarding and educational day.

Thank you for your cooperation and support. If you have any questions, please do not hesitate to get in touch.

Warm regards,

Miss Gregory and Mr Brooks
