Dear Parents and Guardians,

We are writing to inform you about an exciting trip to Kenyon Hall Farm that Year 1 will be taking on **Thursday, 18th June 2026**.

This visit will support our students' learning in Design Technology, focusing on fruits and vegetables, as well as their understanding of plants and seasons in Science. We believe this hands-on experience will greatly enhance their learning and provide a memorable day out.

On the day of the trip, we kindly ask that all children wear their school uniform. If the weather is warm, please ensure your child wears a hat and has sun cream applied in the morning. For those who have school dinners, lunch will be provided. If your child brings a packed lunch, please use a disposable bag that can be thrown away after use. Additionally, we request that each child brings a disposable water bottle, as there will be a lot of walking involved, and trainers are recommended for comfort.

We would like to extend our heartfelt thanks for your support in raising funds through the ice pop sales, which have allowed us to keep the cost of the trip at **£20 per child**. This fee also includes an ice lolly for each child during the visit, ensuring a fun and enjoyable day for everyone.

Please can payment and consent be made via ParentPay by **Monday 8th June**.

If you have any questions or concerns regarding the trip, please do not hesitate to reach out. We appreciate your cooperation and support in making this trip a success for our Year 1 students.

Yours sincerely,

Miss Gregory and Mr Brooks
