**I know how to show I am sorry**

### Message from Miss Helling

*As this academic year comes to an end, I would like to share that I will be leaving OSANDS to begin a new chapter in my teaching career at St John's in Bromley Cross.*

*Over the past two years, I have had the pleasure of teaching and getting to know so many wonderful children and families. It has been a privilege to be part of your children's learning journey, watching them grow in confidence, develop new skills and achieve so much along the way.*

*To all the children I have taught, thank you for making me smile every day. Your enthusiasm, humour, kindness and unique personalities have made every day special. I feel very lucky to have been part of your school lives, and I know I will remember many of you for years to come. You have helped shape the teacher I am becoming and given me memories I will carry with me throughout my career.*

*To the families I have worked with, thank you for your support, encouragement and trust. It has been a pleasure working alongside you and sharing in your children's successes.*

*I would also like to thank my colleagues. Your guidance, support, laughter and friendship have meant more than you know. I am especially grateful to those who have become true friends and have supported me through the ups and downs of my first years in teaching.*

*Whilst I am excited for what comes next, saying goodbye is not easy. I leave with a grateful heart and memories I will always cherish.*

*Best wishes,  
Miss Helling.*

## New Uniform Policy – September 2026 **\*\*new school ties are now available to buy from the School Office via ParentPay - £3 each\*\***

As we look forward to the next academic year, we would like to share an important update regarding our school uniform. From September, all children from Year 1 upwards will be moving to a new formal uniform consisting of a white shirt and tie, replacing the previous polo shirt and no-tie policy.

This change comes after careful consideration and a joint decision between the children on the School Council and our Board of Governors. Our student representatives were keen to bring a sense of pride and a "grown-up" feel to our school attire, and the governors have fully supported this vision for our school identity.

## Understanding the New Tie Options

To keep the morning routine as stress-free as possible, we have decided not to use manual (self-tie) ties. Instead, we have selected options that are easy for children to manage independently:

Infant Pupils: We have comfortable elasticated ties designed for smaller hands.

Junior Pupils: We have smart clip-on ties.

Parental Choice: While we recommend the clip-ons for older children, parents are more than welcome to choose the elasticated ties for their child all the way through their school years if they prefer.

## Where to Buy

To make the transition easier, ties will be available through the following outlets:

- In-School: We will be stocking ties directly at the school office.
- Smart Clothing: You can also purchase them from Smart Clothing on Bolton Market, where they stock our full uniform range.

## Supporting the Transition

We understand that any change can bring a bit of anxiety. Here are some tips to help your child get ready for September:

Practice Makes Perfect: During the summer break, have a few "dress rehearsals."

Letting your child practice buttoning their shirt in a relaxed environment can build great confidence.

The "One-Finger Rule": Ensure collars are not too tight. You should be able to fit one or two fingers comfortably between the collar and the neck.

Sensory Advice

For children with sensory sensitivities, we want to ensure they remain comfortable while looking smart:

Soft Fabrics: Look for "easy-iron" or "soft-touch" shirts, which often have softer seams than standard cotton.

Washing First: Washing new shirts a few times with a familiar fabric softener before September can help remove factory stiffness.

Tagless Options: If labels are a distraction, many retailers now offer tagless shirts. Alternatively, labels can be carefully trimmed away at home.

We are very proud of our School Council for leading this initiative and thank you for your continued support in helping our pupils look their best as they represent our school community.

## The Gospel Reading of the Week Please share this with your child.

**Matthew 11:25-30**

Jesus said, "Thank you, Father, because you have hidden these things from clever people, but you have shown them to children. Come to me, all of you who are tired and carrying heavy burdens, and I will give you rest. Take my teaching upon you and learn from me, because I am gentle and humble in heart. You will find rest for your souls. For the teaching I give you is easy, and the burden I ask you to carry is light." Jesus wants us to know we never have to carry our worries alone.

### **Interpretation**

Jesus reminds us that we do not need to know everything to be close to God. When school or life feels tough and tiring, we can share our worries with Him, and He will give our hearts a peaceful rest.

### **Wednesday Word**

The latest edition of the Wednesday Word can be found [here](#).

### **Prayers**

Sometimes we all need that extra support and as a school we come together every day to say prayers. If you would like the school community to pray for you, your family, friends or any other intentions please email the office ([office@ss-osands.bolton.sch.uk](mailto:office@ss-osands.bolton.sch.uk)), speak to the office or write a little note and send it in with your child.

### **Jubilee Pledge**

We are making the Jubilee Pledge!

As part of the Jubilee Year, we are called to make the Jubilee Pledge this summer. With an invitation that came from Pope Francis to be 'Pilgrims of Hope', we are joining together with all Catholic schools and committing to be a 'sign of hope'. Together with all Catholic schools, we are promising to put faith into action, be agents of change and work for the good of all.

#### **The Jubilee Pledge:**

We are pilgrims of hope. We walk in solidarity with our sisters and brothers worldwide, sharing challenges and celebrating joys. We promise to be agents of change, working together for justice, love and peace, locally and globally. We want to build a fairer world, where every person, and the earth, can flourish.

# **This Week's Reminders**

## **Mobile Phones**

Please note that only Year 6 children are allowed mobile phones in school without prior agreement and this is under the strict conditions of the phones not being switched on when in school, and that they must be handed in when children arrive and collected at hometime. This includes all events such as discos, etc. Any child breaking this rule will not be allowed to bring their mobile phone into school.

Please note specifically:

- That the phone is switched off AT ALL TIMES on the school premises (in the building or in the outdoor areas). It cannot be switched on again until the child has left through the gate.
- The phone is stored in school – it goes in a box in Y6 that is sent to the office.
- No-one is to touch, or be allowed to touch a phone that belongs to someone else.
- That the phone is brought into school at the child's own risk – school cannot be held responsible for any damage or loss which may occur as a result of the child bringing the phone into school.

If a child breaches these rules, restrictions will be put in place. These include, the phone being confiscated, a parent will be asked to arrange the collection of the phone from school and the child will not be allowed to bring a phone to school.

## **Facebook**

I would like to think that we have demonstrated that as a school that we respond effectively to issues that parents bring to our attention. However, from time to time there are a small number of comments that have been posted by members of our school community on social media, including Facebook. This is unfair as social media is not a forum that the school can respond on. It is also not very productive as it is not a forum where the problem can be solved.

Furthermore, negative comments on social media about our school that come to our attention will be checked to see if they are breaches of the Parents and Visitors Code of Conduct, and if they are, action will be taken by the school.

Thank you to all our parents who use choose to address our school directly to solve problems that have arisen.

## **Leverhulme Park**

We regularly receive reports of incidents from Leverhulme Park which include bicycles being stolen, hats being taken, mobiles phones being taken, threats being made, fights, intimidation, children being forced to try cigarettes or vapes, children being assaulted by other children – and some of the other children involved are older. Our strong advice, and also that of our local police, is that children should not go to Leverhulme Park without an adult to accompany them to ensure that they are safe.

## **Sun Cream – in the warm weather...**

In hot weather, children may bring sun cream and sun hats (with your child's name in) into school. Sun cream must be in a bottle with your child's name on and must be stored in the area designated by the classteacher. Staff are not responsible for administering sun cream. During the day, the child can self-administer the sun cream. Alternatively, an "all day" sun cream is available that can applied before the school day starts (please check the various products before you decide which "all day" sun cream is the most suitable for your child).

## **Coats**

Please ensure that your child is coming into school wearing a coat when the weather is wet. Thank you.

## **Headlice**

Every so often, there is an outbreak of these determined little creatures in every school. Please could you assist us by checking your child's hair regularly and treating accordingly if you come across the little beasties before your child returns to school. Thank you for your co-operation. Apologies if you have read this and it has made you scratch your scalp!!!!

## **SS Osmund & Andrew's Nursery**

If you would like to apply for a place in our Nursery Class for September 2027, (we are now full for September 2026 and have a waiting list), please contact our school office either by phone (01204 333070) or by email ([office@ss-osands.bolton.sch.uk](mailto:office@ss-osands.bolton.sch.uk)) and our staff will be able to assist you. When applying for places, please do not confuse our Nursery with the one run by Little Ozzie's as they are a separate organisation to our school. We can only assist you with SS Osmund & Andrew's Nursery.

## **British Values**

We talk about these assembly. British values are Christian values and underpin our school. They are the same as Love, Faith and Hope. If your children ask, they are:

Democracy – When everyone has a say.

The Law – Keeps us all safe.

Liberty – Having the freedom to choose.

Tolerance & Mutual Respect – Treat all people equally and fairly.

### **Relationship & Sex Education**

At SS Osmund & Andrew's, we appreciate that a great level of care and sensitivity has to be taken towards the teaching of Relationship & Sex Education (RSE). We use a Catholic scheme (called Journey in Love) to deliver this, and another Catholic scheme (called Ten Ten) which completes the full legal requirements of the Department for Education. We also have a visit from the School Nurse to discuss puberty, changes and how they are linked to growing up into adulthood. This of course leads into a discussion about the functions of the reproductive organs, so your child may have questions about this when they have been studying in the lessons.

All lessons in the scheme are taught in an age appropriate way that is approved by Salford Diocese. Please be assured that we have worked hard in sourcing the right materials so that they are ones for the children in our school. If you have any worries or questions about these materials, please do not hesitate to contact school where we can show the Catholic context in which they fit.

### **Staff Car Park**

Please can I ask that parents do not use the staff car park to drop off children for everyone's safety. We have had incidents of parents being blocked in, of children running across the car park when cars and lorries are reversing – even when a bin truck was reversing! In addition to this, some parents get stuck in the car park when deliveries arrive. Please use the pedestrian gates and paths provided for safe passage to the school entrance.

### **"igo" Cards**

#### **ATTENTION TO ALL CHILDREN IN YEAR 6 CATCHING THE BUS TO HIGH SCHOOL IN SEPTEMBER!**

If you are aged 11 to 16, you must have an "igo" card to travel using any child ticket on buses in Greater Manchester. You can also use your igo card as proof of age for travelling by tram with a child ticket. You will need proof of age ID from age 11 on Metrolink.

#### **Do you qualify?**

To qualify for an igo card you must be:

- aged between 5 and 16
- be a permanent resident of, or go to school in, Greater Manchester

For more information, please go to: <https://tfgm.com/tickets-and-passes/igo-pass>

### **Smart Watches**

Please note that watches are allowed to be worn in school as they hold educational value in maths. However, any smart watches that have the capability to take photos must not be brought into school for obvious reasons. Thank you for your support in this matter.

### **Fidget Toys**

Only fidget toys (and [popping mats, ear defenders, chewllery, wobble cushions and other aids) supplied by school are the only ones that can be used in school. This is because they are assigned to certain children who our team feel their use will help them concentrate. If your child has not been identified, then their use will usually mean that they distract both themselves and those around them. Thank you for your understanding in this matter.

**All of our reminders and important information can be found on our [website](#).**
