Why is attendance so important?

Helps your child build
positive routines and
confidence.

Supports friendships
and a sense of belonging.

Allows your child to
access the full curriculum
and key learning experiences.

Gives your child the best
chance to achieve their
potential.

Small steps
make a big difference!

Thank you for your
continued support.

How you can help

Here are some simple ways to keep your
child's attendance above our **96%** target:

Try to be on time

Arrive before the
school day starts
and get your child
settled.

Keep to healthy routines

Make sure your child
gets enough sleep,
healthy food and
plenty of rest.

Only keep them at home if they are really unwell

A mild cough or cold
shouldn't stop them
from coming to school.

Be prepared

Check uniform,
PE kits and
any extra needs
(e.g. water bottle,
medication).

Let us know

If there is anything
that might affect
your child's attendance,
please contact us.

Talk positively

Encourage your child
to come to school
and talk about the
fun things they will do
and learn each day.

Together
we can make
every day
count!
